

**Brooklyn Heights Synagogue
March 4, 2016**

*A misty haze hangs over the Bay,
Suspended by unseen threads of stillness.
Such a beautiful sight no tongue can say,
As the silence is broken by the fog horn's shrillness.
And often I wonder as I sit here on the hill:
What makes the great creation of fog so calm and still.*

Wes (age 8)

Sicilienne **Maria Theresia von Paradis**
Ise Yoshimoto, Alison Clark

Rabbi Serge Lippe

Ivan Sutherland

Mary Allen Wilkes
